Sachverhalt

examination at the local Chamber of Tax Consultants in whose district you are or will be working for the most part. If you do not work, you should apply in the district where you live.

Erforderliche Unterlagen

- Application for admission to the tax consultant examination containing the following information:
Name, domicile or primary residence and address
Profession and place of predominant professional activity the location of the intended professional establishment whether and to which office you have previously submitted an application for admission to the examination indication of nationality
- Curriculum vitae with precise details of your personal and professional background
- Passport photo (not older than one year)
- Notarized copy of examination certificates, diplomas and certificates of qualification relating to the statutory pre-qualification requirements for the examination as a tax advisor
- Notarized copy of certificates and activity certificates relating to previous professional activity
- Proof of working hours

Voraussetzungen

In order to be admitted to the tax consultant examination, you must meet the following requirements:

- Completion of a university degree, either in economics, law or with an economics specialization, i.e. more than 20 percent economics subjects from the total course content;
- practical work experience, depending on the standard period of study for your degree program: for a standard period of study of at least 4 years: 2 years of professional experience for a standard period of study of less than 4 years: 3 years of professional experience

If you have successfully completed 2 different relevant courses of study, the standard periods of study for both courses are added together. This applies, for example, in the case of a Bachelor's degree followed by a Master's degree. Periods of practical work are taken into account if they are after the first professionally

Sachverhalt

qualifying degree was obtained.

You can also be admitted to the examination without a university degree. You must meet the following requirements:

- Passed final examination in a commercial training occupation or other equivalent previous education as well as 8 years of practical work experience or
- passed the examination to become an accountant and have 6 years of practical work experience or
- passed the examination to become a tax specialist and 6 years of practical work experience or
- Employment in the financial administration as a civil servant in the higher civil service or as a comparable employee as well as 6 years of practical work experience as a clerk or in at least an equivalent position

The relevant Chamber of Tax Consultants will accept your practical work experience if it meets the following conditions:

- At least 16 hours per week
- Practical experience in the field of taxes administered by the federal or state tax authorities

Kosten

The fee is usually determined by a fee schedule of the responsible Chamber of Tax Consultants. A fee of EUR 200 is provided for by law. The scale of fees may deviate from this amount.

Verfahrensablauf

Bearbeitungsdauer

Frist

You can submit the application no earlier than January 1 and no later than April 30 of the examination year.
