Teaser	You must report accidents involving certain work equipment or installations requiring monitoring in which a person has been killed or seriously injured immediately.
Volltext	If an accident occurs during the use of work equipment and a person is seriously injured or killed, you as an employer must report this to the occupational health and safety authority. This applies to accidents involving the following work equipment • Elevator systems • Pressure systems • Installations in potentially explosive atmospheres • Cranes • Liquefied petroleum gas systems • Mechanical tools for event technology
Erforderliche Unterlagen	Informal notification with the following information: • Address of the company • Address of the permanent establishment or the construction/assembly site at the scene of the incident • Date of the event • Type of event (e.g. explosion, media leak, crash)

Modul

Sachverhalt

- Number of people injured, number of people killed
- Work equipment involved
- Approved inspection body involved (in the case of installations requiring monitoring in accordance with Annex 2 of the Industrial Safety Ordinance)
- Involved body to determine the cause (in the case of work equipment in accordance with Annex 3 of the Industrial Safety Ordinance)
- Brief description of the event and the damage that occurred (including photos and videos) Measures already taken by the employer

The occupational health and safety authority may also require you to provide the following information:

- Risk assessment
- Proof that a competent person has prepared the risk assessment
- Details of the responsible persons
- Information on protective measures taken
- Proof of regular training of employees
- Operating instructions

Voraussetzungen

- You are an employer
- the following work equipment is involved:
 - Elevator systems
 - Pressure systems
 - Installations in potentially explosive atmospheres
 - Cranes
 - Liquefied petroleum gas systems
 - Mechanical tools for event technology

Kosten

There are no costs.

Verfahrensablauf

- Submit the notification of the event to the competent authority without delay, together with all the necessary information.
- The competent authority will inform you whether further documents (e.g. an assessment by an approved review body) are required.

Bearbeitungsdauer

Frist

You must report the accident immediately.
