Teaser	Services provided by the Care Fund for people with disabilities in inpatient facilities or special forms of housing.
Volltext	As a person with a disability (care grades 2 to 5) live in a fully stationary facility where • participation in working life, • to education • social participation, • school education or • educating people with disabilities in the foreground? Then the care fund pays 15 percent of the costs. In individual cases, the expenses of the nursing care fund may not exceed 266 euros per calendar month. This also applies to special forms of housing (several persons with disabilities together in a dormitory/group). In doing so, it is essential to • focus on shared living and integration into society, • the Housing and Care Act applies, • the level of care is largely the same as the care in a fully stationary facility. If you claim a pro-rata care allowance for the days on which you are cared for and cared for at home, the days of arrival and departure are considered to be full days of home care.
