Teaser	If you want to act as an examination body for sewage sludge tests in waste management, you must be notified (determined) by the competent authority.
Volltext	If you want to carry out analyses in accordance with the Sewage Sludge Ordinance, you must apply to the competent authority to notify (designate) you as an examination body. The notification is valid for the entire federal territory.
Erforderliche Unterlagen	• Proof of compliance with the requirements of the waste module for the administrative agreement on the proof of competence and the notification of test laboratories and measuring points (inspection bodies) in the waste-legally regulated environmental area After inquiries from the competent authority, further documents may have to be provided. If you are active nationwide, the authority may require that you submit a valid accreditation for compliance with the requirements of DIN EN ISO/IEC 17025:2005, which refers to the parameters and examination procedures according to Annex 2 AbfKlärV.
Voraussetzungen	The requirements for the waste module for the administrative agreement on the proof of competence

Modul	Sachverhalt
	and the notification of test laboratories and measuring points (inspection bodies) in the waste-legally regulated environmental area have been met. You submitted the application in the country where you are headquartered. If the latter is abroad, please submit the application in the country in which you intend to carry out this activity as a priority.
Kosten	Administration fee: EUR 60 – 1500
Verfahrensablauf	You submit an informal application to the authority of the country in which you are headquartered for notification as an inspection body for sewage sludge investigations. Please attach the necessary documents. If necessary, the authority will request further application documents. After examination by the competent authority, you will receive a written notification as to whether the notification is made as an examination body. The authority may provide the notification with a reservation of revocation, a time limit, conditions, conditions and conditions and conditions.
Bearbeitungsdauer	The examination of the application for notification of an investigating body must be completed within three months; § 42a paragraph 2 sentences 2 to 4 of the Administrative Procedure Act (VwVfG) applies.
Frist	before taking up the activity
