Teaser	You can obtain a residence permit to carry out a qualification measure if you would like to work in Germany, but your professional qualification has not yet been fully recognised by the competent authority in Germany.
Volltext	<p>They may obtain a residence permit to carry out a qualification measure if a recognition procedure has been carried out at a body responsible for the recognition of professional qualifications in Germany and the recognition authority has established that the qualification measures for the- the recognition of your professional qualification (determination of equivalence to a domestic professional qualification), or- for the granting of the professional licence (access to the profession) are required. Qualification measures include adaptation and compensation measures in theoretical and practical form (in-company internships, theoretical courses, mixed forms), preparation courses for examinations and language courses. The residence permit for the recognition of foreign professional qualifications is a temporary residence permit. It shall be granted for the duration of the qualification measure, but not more than 18 months. With your residence permit for the exercise of foreign professional qualifications, you may work up to 10 hours per week, which is independent of the qualification measure.</p>
