Teaser	If you are a food company/company that carries out activities related to the production, processing and distribution of food (including e-commerce), you must register with your municipal food control authority.
Volltext	<p>Food establishments are obliged under European Union law to register and to report significant changes in the work technology process or conversions. This applies to any facility you manage or operate. It does not matter whether it is the processing, production or distribution of food. Food businesses are all establishments that produce, process, market, transport, etc., directly or via the Internet, and regardless of whether they are profit-making or not.</p> <p>Food companies are, for example:</p> <ul style="list-style-type: none"> • Pharmacies/drugstores that carry food or dietary supplements in their assortment • Displays of food vending machines • Bakeries • Cafes • Ice cream • Producers of food of animal origin • Fisheries, crustaceans, shellfish and mollusc holdings • Restaurants • Wholesalers, transporters, importers and exporters of food • Snacks
