| Handlungsgrundlage            | The legal basis, § 20 abs. 3 Nr. 2 Gesetz über den Aufenthalt, die Erwerbstätigkeit und die Integration von Ausländern im Bundesgebiet (AufenthG) can be found on the Internet on the following page<br><a href="https://www.gesetze-im-internet.de/aufenthg_2004/_20.html">https://www.gesetze-im-internet.de/aufenthg_2004/_20.html</a>                                                                                                                                                              |
| Teaser                        | If you are directly following your research activity in search of a job corresponding to your qualification or a self-employed activity, you will be granted a residence permit for a maximum of 9 months.                                                                                                                                                                                                                                                                                             |
| Volltext                      | As a researcher, you have a legal right to a residence permit to look for a job. The residence permit will be issued to you for a maximum of 9 months directly after your previous research activity. This makes it possible to find a job that suits your qualifications. The aim of the search can also be a self-employed activity. This residence permit allows unrestricted employment.                                                                                                           |
| Erforderliche Unterlagen      | - Valid national passport- Proof of secure livelihood (for example, employment contract and pay slips, bank statements, submission of a declaration of commitment by third parties)- Proof of health insurance- Proof of qualification (certificate of completion, certificate or certificate from your university about the successful completion of a course of study- 1 current biometric photo- Please ask the immigration office responsible for you whether you need to submit further documents |
| Voraussetzungen               | You have carried out a research activity in Germany, completed it and had a valid residence permit for the purpose of research (§ 18d or § 18e AufenthG). Other general conditions for obtaining a residence permit                                                                                                                                                                                                                                                                                    |

| Modul                        | Sachverhalt                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       |
