Teaser	The contribution that every person with statutory insurance has to pay for long-term care insurance is regulated by law.
Volltext	The contribution rate for statutory long-term care insurance is 3.05% of the insured person's contributory income up to the income threshold. income threshold. Those without children pay a contribution surcharge of 0.35 percentage points, which is levied from the month after the insured person's 23rd birthday. insured person's 23rd birthday. The income threshold for 2022 is 58,050 euros. There are different statutory regulations for special groups of people such as agricultural entrepreneurs. For further information, please contact your health or long-term care insurance fund.
Erforderliche Unterlagen	As a rule, the contributions must be paid to the health insurance fund, which must then forward them immediately to the long-term care insurance fund. Please clarify with your health insurance fund which documents are required.
Voraussetzungen	In principle, every insured person is liable to pay contributions. Family members are exempt from contributions for the duration of family insurance. You can ask your health insurance provider about other exceptions.
Kosten	There are no costs in addition to the contributions.
