Volltext	<p>When a testator dies, he usually leaves not just one heir, but several. These enter the so-called community of heirs with inheritance. Only after the inheritance dispute has taken place is the estate divided among the individual heirs in accordance with the agreements made.</p> <p>In principle, each individual co-heir can apply for a certificate of inheritance with which he can identify himself as a legal heir to third parties. However, if the community of heirs wants to act together and act vis-à-vis banks, insurers and the land registry, a joint certificate of inheritance is often required.</p> <p>The joint share certificate is issued for the right of inheritance of several, but not all, co-heirs at the request of a co.B if, for example, a co-heir emigrates and is therefore not available.</p> <p>With the arrangement of a pre- and post-inheritance in the will, the order and duration of the use of the estate are determined. The testator appoints a person as a</p>

pre-heir who can use the inheritance for a period of time. The heir only becomes the heir of the testator when the previous inheritance ends.

The certificate of inheritance issued to the previous heirs shall state that a succession is ordered, under what conditions it occurs and who is the successor.

Erforderliche Unterlagen

- your identity card or passport,
- the death certificate of the deceased person (testator),
- the family record book for the documentation of kinship,
- information on whether there is a process for your inheritance law,
- the names and addresses of the co-heirs,
- Proof of the reason why certain persons who would actually inherit are no longer heirs, for example their death certificates, waivers of inheritance or declarations of renunciation of inheritance,
- if applicable, wills or contracts of inheritance,
- the matrimonial property regime (in the case of spouses) or the property regime (in the case of registered civil partnerships).

Voraussetzungen

There are co-heirs and they want to apply for a joint certificate of inheritance and the testator has ordered a pre- and post-inheritance in a testamentary disposition. However, not all co-heirs are available to apply.

Kosten

- The fees for a certificate of inheritance are regulated in the Court and Notary Costs Act (GNotKG) and are based on the value of the estate after deduction of the debts.
- In addition to the fee for issuing a certificate of inheritance, there may be costs for affidavits and notary fees – plus the statutory value added tax.

Verfahrensablauf

After you have applied for the certificate of inheritance, the district court checks the eligibility and issues the certificate of inheritance.

Bearbeitungsdauer

The processing time depends on the complexity of the inheritance.

Hinweise	
Rechtsbehelf	<p>Complaint</p> <p>Insofar as conflicting interests exist in the inheritance certificate proceedings before the probate court, the probate court may not issue the certificate of inheritance immediately. The district court issues an order in which it states that it considers the facts necessary to substantiate the application for a certificate of inheritance to be established.</p> <p>In accordance with §§ 58, 63 FamFG, the parties then have the opportunity to appeal against this decision within a period of one month.</p> <p>The certificate of inheritance is only issued if, after the expiry of the period of one month, no one has lodged an appeal against the decision of the probate court and the decision has thus become final.</p> <p>In addition, according to § 59 FamFG, the person who could not convince the probate court with his arguments in the inheritance certificate proceedings and is thus impaired in his rights can lodge an appeal.</p> <p>Appeal</p> <p>By applying for the certificate of inheritance, the inheritance is automatically deemed to have been accepted – an inheritance strike is then no longer possible.</p> <p>Heirs can then only avert the inheritance by contesting the certificate of inheritance. For this, however, a reason for contestation must be proven. In principle, only the person who would benefit from a challenge may contest a certificate of inheritance. It is recommended to seek legal advice from a lawyer.</p>
