Teaser	If you are studying and have a disability or chronic illness that has a negative impact on your studies, you can receive measures of disadvantage compensation.
Volltext	If you are studying and have a disability or chronic illness that has a negative impact on your studies, you can receive measures of disadvantage compensation. Measures of disadvantage compensation are intended to compensate for the negative effects of a disability or chronic illness on participation in studies, so that you can participate in your studies on an equal footing and show your performance. The examination regulations of your respective degree programme contain separate regulations for this.
Erforderliche Unterlagen	- Medical certificate - which specific requirements are to be placed on the medical certificate are regulated by the universities in the respective examination regulations
Voraussetzungen	medical certificate, the requirements of which can be found in detail in the examination regulations of the courses of study of the individual universities
Kosten
