Teaser	Are you a recognized displaced person, a late repatriate, do you have a foreign professional qualification and would you like to work independently in a craft subject to registration in Germany? Then you must first be registered in the register of skilled crafts.
Volltext	<p>With the recognized status as a displaced person or as a late repatriate and a professional qualification from abroad equivalent to the master craftsman's examination, you can exercise a craft subject to licensing as a standing trade in Germany. You must be registered in the register of skilled crafts before setting up in Germany.</p> <p>The Handwerksrolle is a register kept by your local Chamber of Crafts.</p> <p>Among other things, the Handicrafts Register lists</p> <ul style="list-style-type: none"> • natural persons, • partnerships with legal capacity or • legal entities and • the name and qualification of the company management.

Modul

Sachverhalt

Registration in the Handicrafts Register is obligatory if you

- want to practice a craft that is subject to licensing,
- want to exercise the craft only in parts and
- want to perform essential activities of several crafts, then for each of these crafts.

In order to be entered in the register of skilled crafts, you or the company management must prove that you have successfully completed a master craftsman's examination for the craft to be practiced or an equivalent professional qualification.

The following are eligible as company management:

- owners of the craft enterprise or
- employed persons of the craft enterprise

You will find a complete list of the crafts requiring approval in Annex A to the Crafts Code (HwO).

The responsible Chambers of Crafts provide further information on this service. Please contact the responsible Chamber of Crafts for more information.
