Verfahrensablauf

You can report the commencement of a mining operation online via the "BergPass" platform or directly to your local mining authority.

Submit a notification for the commencement of a mining operation online via the "BergPass" platform:

- Go to the online platform "BergPass" and register. To register, you need a bundID and an identity card or residence permit with an active online ID function.
- Go to the advertisement form and fill it out completely and truthfully.
- Upload the required documents as a file and submit the advertisement.

Submit a notification for the commencement of a mining operation directly to the responsible mining authority:

- Get in touch with your local mining authority and coordinate the required documents.
- Submit the notification and all documents to your local mining authority.

Further procedural steps:

- The competent authority will examine your notification and the documents submitted. If documents are missing, the authority will contact you.

You will receive a notification confirming receipt of your advertisement. In addition, the message is sent electronically in advance to the respective mailbox (bundID or ELSTER company account) and information is displayed in BergPass.
