<b>Teaser</b>	If you have any questions about the drinking water supply, you can contact the responsible authority.
<b>Volltext</b>	The population is supplied with drinking water by the local water supply companies. Information on the respective water supplier can be obtained from the municipal or city administration. The provision of drinking water to citizens or customers must cover costs. The respective water supplier therefore charges a fee for the direct supply of drinking water, which, depending on the calculation basis, is divided into a basic fee and a fee per cubic meter consumed or is only a volume fee. As a customer, you will receive a one-off contribution to the costs of the new connection. The respective water supplier therefore charges a fee for the direct supply of drinking water, which, depending on the calculation basis, is divided into a basic fee and a fee per cubic meter consumed or is only a volume fee.
<b>Erforderliche Unterlagen</b>	You must ask the respective water supplier which documents are required for the specific occasion. They have often published corresponding information on their homepage.
