Teaser	Vocational schools are institutions of continuing vocational training. Here you will find information on admission to a technical school.
Volltext	Vocational schools are institutions of continuing vocational training that prepare you to take on tasks at the middle management level in companies. The graduation from a technical college in full-time instruction with a duration of at least two school years or in part-time instruction with a correspondingly longer duration is equivalent to the entrance qualification for a university of applied sciences and entitles you to study at universities of applied sciences in Rhineland-Palatinate. The degree is recognized by all states in the Federal Republic of Germany. You can attend the technical school in the following subject areas: • Agriculture - State Certified Economist (Bachelor

Modul	Sachverhalt
	Professional Agricultural Economics) • Design - State-certified designer (Bachelor Professional Design) • Technology - State-certified technician (Bachelor Professional Technician) • Economy - State Certified Business Economist (Bachelor Professional Economics) • Social Services - State-Approved Educator (Bachelor Professional Social Work); State-approved remedial education nurse (Bachelor Professional Social Work); State-approved special education teacher (Bachelor Professional Social Work)
