Teaser	If you want to place construction site equipment on public areas during a construction project, you must apply for a special use permit.
Volltext	If there is not enough space on your construction site, you may need to temporarily use a public area. If you want to use public areas in connection with your construction site, this constitutes special use. You must apply for a permit (special use permit) from the relevant authority in advance.
Erforderliche Unterlagen	• Informal application for a special use permit • Documents describing the type and scope of the special use (e.g. a sketch with dimensions) • You may need to submit further documents. You will be informed accordingly by the competent authority in the course of the procedure.
Voraussetzungen	• They do not restrict the safety of traffic. • They do not disproportionately impair the ease of traffic flow. • They do not disproportionately impair public use. • They do not disproportionately impair road

Modul	Sachverhalt
	components. • They do not disproportionately restrict environmental concerns. • They do not disproportionately restrict urban development interests. • They do not disproportionately restrict public interests, including the generation of revenue from the use of the path. • They do not disproportionately restrict the public or private rights of third parties.
Kosten	A fee is charged for the granting of the permit. Fees may also be charged for the use of the area. The amount of the fees depends on the type, scope and location of the special use.
Verfahrensablauf	• You submit your application with the necessary documents to the responsible office. • The competent body will check your application and request any missing documents or information from you. • The competent body will inform you of its decision in writing.
Bearbeitungsdauer	The processing time depends on the type and scope of your application and the quality of the documents submitted.
Frist	None. You must have the permit before you start the special use.
weiterführende Informationen	
Hinweise	The following information is available: Even if all factual and legal requirements are met, you are not entitled to be granted a special use permit. The competent authority decides on your application at its own discretion. As a rule, the competent authority will grant you the special use permit for a limited period and subject to revocation. This means that the permit issued can be withdrawn. The permit is usually issued with conditions that you must fulfill.

Modul
Sachverhalt

The competent authority may require you to pay for the removal of any damage caused by your special use. The competent authority may also require you to make an advance payment or deposit a sum of money as security.

Rechtsbehelf

- Objection
- Action before the administrative court

Kurztext

- Special use of roads Permission for construction work
- If a public area is to be used in connection with a construction site, this constitutes special use of the public area.
- A special use permit must be applied for
- The special use permit must be obtained before the special use begins.
- The special use must not adversely affect persons or public interests.
- The amount of the fees depends on the type, scope and location of the special use.
- Responsible: The road traffic authority in whose district the special use is to take place

Ansprechpunkt

The road traffic authorities responsible for issuing traffic regulations/permits are the administrations of the non-association municipalities, the local authority administrations, the municipal administrations in independent and large district towns; in the case of non-local workplaces, the district administrations.

In order to carry out road construction work and to prevent extraordinary damage to the road, the road construction authorities can also order traffic bans and restrictions, divert traffic and direct it by means of markings and guidance systems.
