Hinweise	<p>The service described here is the possibility of further training. However, the new Psychotherapist Act, which was passed on 22 November 2019 and entered into force on 1 September 2020, will soon require far-reaching upheavals in the psychotherapeutic education and training landscape. In the psychotherapist chambers there will therefore also be the possibility of a further education in the future, which once again differs significantly from the service described here (area training). The LPK RLP informs on its homepage about important news and you will find information flyers on the new psychotherapy training.</p> <p>https://www.lpk-rlp.de/mitglieder-service/informationen-zur-neuen-psychotherapieweiterbildung.html</p> <p>https://www.lpk-rlp.de/mitglieder-service/informationen-zur-neuen-psychotherapieweiterbildung.html</p>
