Teaser	If you would like to provide training in your company, the responsible authority in your case, for example the Chamber of Industry and Commerce (, IHK) will advise and support you.
Volltext	<p>Your company may only hire and provide training to trainees if</p> <ul style="list-style-type: none"> • the training premises are suitable in terms of their design and facilities • the ratio of trainees to training places or training staff employed is appropriate. <p>If your company wants to provide training for the first time, an on-site assessment regarding training suitability is performed. In addition, the training advisors inform all parties involved in the vocational training about the substantive requirements of dual vocational training.</p> <p>If your company cannot provide the full range of required vocational competencies, knowledge and skills on its premises, you may have the option of filling any training gaps via training offered by a different provider.</p>

Modul	Sachverhalt
	<p>Following the initial assessment, the training advisors visit the companies and premises allocated to their region regularly in order to help and advise you on maintaining training in line with the relevant directives. Depending on the training catchment area and the occupation requiring formal vocational training, the authority responsible for assessing suitability may be, for example, the Chamber of Commerce and Industry (, IHK), the Chamber of Skilled Trades and Crafts (, HWK), the Chamber of Agriculture (, LWK) or an alternative authority.</p>
Erforderliche Unterlagen	<ul style="list-style-type: none"> • As specified by the competent authority • Further information is available from the competent authority via its website or from its training advisory service.
Voraussetzungen	<ul style="list-style-type: none"> • Your company must possess all facilities necessary to provide the full scope of training required. • The ratio of trainees to staff suitably qualified to conduct the training must be appropriate.
Kosten	<p>As a rule, no fees apply for the advice provided by the competent authority.</p>
Verfahrensablauf	<p>If your company would like to provide training for the first time or do so for a new profession, you should contact the relevant competent authority as soon as possible.</p> <ul style="list-style-type: none"> • The advisor will then make an appointment to meet you for an initial discussion. • As a rule, a more detailed meeting with the advisor will be held on site at your training premises. • If the advisor determines that further meetings, site visits, documentation or supporting qualification documents are necessary, another appointment will be arranged with you soon after. • Alternatively, the advisor can also arrange for you both to remain in communication in written form, by e-mail or by phone. • Once both you and your advisor agree that all outstanding issues have been clarified, the procedure is complete. • If the advisor determines that training cannot, or can no longer, be provided at your company, you will receive notification to this effect from the responsible
