## Sachverhalt

### Kurztext

- In the itinerant industry, some activities are prohibited; the competent authority may grant exceptions to this in individual cases.
- Exemptions from prohibitions must be requested from the competent authority on a case-by-case basis.
- The exemption permit is applied for at the trade authority of the district, the independent city, the large independent city or the independent municipality in whose or whose area you want to operate.
- The exemption is limited to the area of responsibility of the issuing authority and is always limited in time.
- The exemption permit is subject to revocation at any time.

### Ansprechpunkt

The responsibility lies with the district, the district-free city, the large independent city and the independent municipality.

This procedure can also be handled by a "Point of Single Contact". The "Point of Single Contact" is a special service offered by the municipalities and the state for service providers.
