Volltext

The application of minors must be approved in writing by both parents (as long as they have joint custody). In the case of unmarried or divorced parents, consent can be given by the parent to whom the family court has granted sole parental custody of the child. The decision of the family court must be submitted with the application.

Both parents must apply for a passport for minors if both have custody and the parents live together. Only one parent can submit the application if the consent of the other parent is confirmed in writing.

From the age of 6, fingerprints must be taken for the issue of a passport for minors.

Please note:

Please find out about the specific entry requirements of your destination country and the required identification documents in good time before you travel. Information on this can be found in the travel and security advice issued by the Federal Foreign Office.
