Teaser	If you want to work as an expert in accordance with § 24 DepV for a decommissioned long-term storage facility in accordance with the Landfill Ordinance, you must be appointed (i.e. approved) by the competent authority.
Volltext	If there is a concern that, after the closure of the long-term storage facility, harmful environmental effects or other hazards, significant disadvantages and significant nuisances for the general public and the neighbourhood within the meaning of Section 5 (3) No. 1 of the Federal Immission Control Act (BImSchG) may be caused, the operator must, at the request of the authorities, have it checked whether the requirements under Section 5 (3) No. 1 BImSchG are met are. These checks shall be carried out by competent persons. An expert must be approved by the competent authority. In the case of foreign applicants, exceptions may be made to the following documents, depending on the decision of the competent authority, provided that the expertise and reliability are proven in another way.

Modul
Sachverhalt

The appointment of an expert is made upon request after a review, which is based on § 24 (2) of the Landfill Ordinance (DepV). The required expertise, independence, reliability and technical equipment are checked before the announcement (approval).
