Teaser	Have you acquired a professional qualification as a special education nurse abroad? Then you can apply for recognition of this qualification in Germany under certain conditions.
Volltext	<p>If you want to work as a special education nurse in Germany, the equivalence of your training with the local training "state-recognized special education nurse" must be determined. This is done by the competent authority.</p> <p>State-approved remedial education nurses are qualified to accompany, care for, care for people whose personal and social identity and integration is hampered by impairments or disabilities and to promote their personal development, education, socialization and rehabilitation independently and on their own responsibility. The target group of this occupational group consists in particular of people whose personal and social identity and integration is hampered by impairments or disabilities.</p>

Sachverhalt

Erforderliche Unterlagen

1. Completed application form
2. Hand-signed tabular description of the school and professional career (curriculum vitae) in German,
3. Copy of the certificate of school-leaving certificate in German,
4. Copies of the training certificates in the original language and as a German translation:
 1. Graduation documents (e.g. diploma), including attachments in the original language and as a German translation, if applicable
 2. Proof of training content (subject board, explanations and curricular requirements, etc.) in the original language and as a German translation
 3. Certificate from the competent authority stating that you are directly entitled to practise the profession in the country of training in the original language and as a German translation.
5. Copies of proof of relevant professional experience at home or abroad in the form of job references/workbooks in the original language and as a German translation. The evidence should be able to provide information about the activities and the scope of the activities.
6. Proof of identity (identity card, passport or residence permit)

For the documents in non-German language, translations into German are also required. The translations must be prepared or at least confirmed by a publicly appointed/sworn translator in Germany.

Certificates in English do not need to be translated.

The Regional State Office for School and Education reserves the right to request officially certified copies of the above-mentioned documents.

Voraussetzungen	<p>In order for the professional qualification obtained abroad to be recognised, the following conditions must be met:</p> <ul style="list-style-type: none"> • the professional qualification obtained entitles the holder to carry out professional activities comparable to those of a remedial education nurse in the country in which it was obtained, **and** • there are no significant differences between the professional qualification obtained in the country of origin and the corresponding vocational training in Lower Saxony.
Kosten	<p>Gebühr: 100€ - 250€ A fee of 100 to 250 euros is charged for the recognition procedure.</p> <p>In addition, you will have to reckon with additional costs (e.g. fees for translations and certifications) when carrying out the recognition procedure.</p>
Verfahrensablauf	<p>For recognition, the Regional State Office for School and Education Lüneburg will check on the basis of your certificates whether and to what extent your foreign qualification corresponds to a German qualification for the profession of special education nurse. This review is based on defined formal criteria, such as content, professional orientation and duration of the training. Your relevant professional experience will be taken into account as well as other relevant qualifications. The decision on the application will be made by means of a written decision.</p> <p>If there are significant differences, a compensatory measure (adaptation period or aptitude test) is</p>

Sachverhalt

required before the professional qualification acquired abroad can be recognised. The scope of the compensatory measure is determined by the Regional State Office for School and Education Lüneburg in a decision.

For more information, please visit the anerkennung-in-deutschland.de

This internet portal provides quick and easy answers to questions about recognition, for example:

- Do I have to have my professional qualifications recognised?
- Is the recognition worth it for me?
- Can I submit the application? Do I have a formal entitlement to it?
- Who should I contact?
- What does the procedure look like?
- What documents are required? What form do the documents need to take?
- How long does the procedure take?
- How much does the procedure cost?
- Which laws are relevant to my case?

Bearbeitungsdauer

The Processing time is generally up to 3 months, provided that the application documents are complete. In individual cases, an extension may be necessary. The deadline for submitting the application begins with the confirmation from the competent authority that the required documents are complete.

Frist

There are no deadlines on the part of the applicants.
