Teaser	
Volltext	As a beneficiary of social assistance or basic social security, you will be supported by the social welfare office during pregnancy and maternity if you do not have health insurance. You will receive the normal health insurance benefits: • Medical treatment and care, • support from midwives, • Medicines, bandages and remedies. If needed, you will receive care in inpatient facilities. If you need care at home and the family cannot take care of it, home care costs will also be covered on a pro rata basis. However, this depends on the level of care.
Erforderliche Unterlagen	• Application for health assistance • Identity card or passport (or other documents that can identify the person beyond doubt) The competent social assistance institution shall provide information on the documents required in individual cases.
Voraussetzungen	Assistance for health is given to persons who do not have statutory or insufficient private health insurance, who are not eligible for the provision of benefits via the health insurance fund (§ 264 Abs. 4 SGB V) and who cannot reasonably be expected to raise the funds for the necessary assistance from income and assets.

Rechtsbehelf	
Kurztext	As a recipient of social assistance, if the corresponding benefits are not covered by health insurance, you will receive them from the social welfare office during pregnancy and maternity in the same quality and to the same extent if you are in need. These are: • Treatment by doctors • help from midwives, • Hospital accommodation • Support services for home care if this cannot be provided by the family
Ansprechpunkt	
Zuständige Stelle	The following are responsible: • the social welfare office of the respective local social assistance institution (districts, independent cities and the Hanover region) or • the social welfare office of the municipality belonging to the district or region used by the local social assistance provider, in which the domicile is located.
