Teaser	The project and development plan can be inspected by anyone.
Volltext	The project and development plan becomes part of the project-related development plan (Section 12 (3) sentence 1 of the German Federal Building Code (BauGB)). The plan specifies the details of the project and the associated development measures, which the developer undertakes to implement in the implementation agreement. The relevant documents (project and development plan, project-related development plan, justification of the development plan and summary statement on the manner in which the environmental concerns and the results of the public and public authority participation have been taken into account in the development plan and on the reasons for which the plan was selected after consideration of the other planning options considered) may be inspected by anyone.
Erforderliche Unterlagen	Indication of the number or designation of the project-related development plan concerned.
Voraussetzungen	The project-related development plan must have been published in the version which it finally received.
Kosten	The inspection is free of charge (however, costs may be charged if, for example, copies of the documents are requested).
Verfahrensablauf	After the announcement of the project-related development plan, the citizen may contact the office stated in the announcement in order to inspect the plan and the other documents to be kept available.
