Teaser	If you receive social assistance or basic security and have just had a baby, the social welfare office will bear the costs of counselling sessions.
Volltext	If you do not have health insurance and receive uninterrupted subsistence assistance for a short period of time (probably less than a month), the social welfare office will provide the necessary medical care directly by issuing a treatment certificate. These include: • Preventive health assistance for the prevention and early detection of diseases • Help in case of illness • Help with family planning • Help with pregnancy and maternity • Help with sterilization
Erforderliche Unterlagen	• Application for health assistance • Identity card or passport (or other documents that can identify the person beyond doubt) Information on the documents required in individual cases will be provided by the competent social welfare institution.
Voraussetzungen	Health assistance is provided to persons who: • who do not have statutory or adequate private health insurance, • the provision of services via the health insurance fund (§ 264 para. 4 SGB V) is out of the question • and who cannot reasonably be expected to raise the
