Volltext	<p>You can obtain a residence permit for a study-related traineeship EU if you have obtained a university degree in the last two years before submitting your application or are still studying in a third country leading to a university degree. For this purpose, a higher education institution is considered to be any educational institution which offers a degree comparable to a higher education degree that could be obtained in Germany. In this respect, the assessment recommendations of the Central Office for Foreign Education should be taken into account, see under further information.</p> <p>If you have not yet reached the age of 18, the person entitled to custody must consent to your planned stay for the purpose of the study-related internship.</p> <p>The residence permit for a study-related internship is a temporary residence title. It is issued for the agreed duration of the internship, but for a maximum of six months.</p>
