Teaser	If you want to collect or transport waste or trade in waste, you must notify the activity to the competent authority.
Volltext	As a collector, transporter, trader and broker of waste, you notify this activity to the competent authority. If you carry out this activity with hazardous waste and are exempt from the permit requirement, you must enclose additional documents with your notification. If you have already notified your activity and your information has changed significantly, you must submit the notification again. The notification requirement applies to both national and transboundary shipments of waste.
Erforderliche Unterlagen	• Your company number(s) under waste legislation as a collector, transporter, broker or dealer in waste (if already issued to you) • The transaction number of your initial notification (only if you wish to create a notification of change) • your business registration (if you are obliged to register your business) • an extract from the commercial, association or cooperative register (if an application has been made) • If you are exempt from the obligation to obtain a permit for the handling of hazardous waste: Your waste management company certificate or your registration certificate as a certified EMAS company (if your company has the corresponding certification; in the form of a PDF file with a maximum file size of 2 MB). • proof of business and environmental liability insurance (if such insurance exists) • Proof of the professional competence of the persons
