Teaser	Anyone wishing to set up a forestry association and receive funding for this must have it recognized and meet the necessary requirements.
Volltext	<p>If you want to set up a forest management association and receive funding for this, you must have it recognized and meet the necessary requirements.</p> <p>Forest management associations are associations of landowners under private law that pursue the purpose of</p> <ul style="list-style-type: none"> • to improve the management of the associated forest areas and land intended for afforestation, <p>as well as the disadvantages of</p> <ul style="list-style-type: none"> • small area size • unfavorable land shape • fragmentation of ownership • the mixed situation • insufficient forest access • or other structural deficiencies

Modul

Sachverhalt

to overcome.

The forest management association must be responsible for at least one of the following measures:

1. Coordination of the operational plans or operational reports and the business plans as well as the individual forestry projects
2. coordination of projects essential to forestry production and the sale of timber or other forest products
3. Implementation of forest cultivation, soil improvement and stand maintenance work, including forest protection
4. Construction and maintenance of roads;
5. Carrying out the felling, processing and harvesting of timber
6. Procurement and use of machinery and equipment for several of the measures summarized under numbers 2 to 5

Erforderliche Unterlagen

- Informal application
- Statutes
- Description of the size of the area to be farmed
- Invitation and minutes of the foundation
- List of members

Voraussetzungen

1. The forest management association must be a person under private law,
2. The forest management association must enable a significant improvement in the management in terms of size, location and connection of all closed plots,
3. The articles of association or partnership agreement must contain provisions on
 - The task
 - The financing of the task
 - The right and obligation of the forest management association to monitor the fulfillment of the task
 - Regulatory measures or contractual penalties in the event of culpable breach of essential membership obligations
 - The obligation of the members to have all or part of the timber intended for sale offered for sale by the

Modul

Sachverhalt

forest management association, insofar as it has the task of selling the timber

4. If the forest management association chooses the legal form of a cooperative or association with legal capacity with commercial business operations, the articles of association must also contain the following points:

- the conditions for acquiring and losing membership, whereby membership may be terminated at the earliest at the end of the third full financial year and the notice period must be at least one year
- the bodies, their duties and the way in which resolutions are passed. It must be stipulated that resolutions on the type and scope of the forestry measures to be carried out and on joint sales rules, insofar as the Board of Directors is not entitled to pass resolutions on these in accordance with the Articles of Association, are to be passed by the general or members' meeting and require a two-thirds majority of votes

5. If the legal form of a corporation is chosen, it must be ensured that the shareholders jointly pursue the tasks of the community for at least three full financial years.

6. It must have at least seven members.

7. It must allow significant competition to exist on the timber market.
