Voraussetzungen	<p>Health aids are given to persons,</p> <ul style="list-style-type: none"> • who do not have statutory or sufficient private health insurance, • the provision of benefits via the health insurance fund (§ 264 Abs. 4 SGB V) is out of the question • and for whom it is not reasonable to raise the funds for the necessary assistance from income and assets.
Kosten	Gebühr: Es fallen keine Kosten an
Verfahrensablauf	<p>Beneficiaries (without health insurance) apply for a treatment certificate to the social welfare office of the competent institution for their subsistence benefits.</p> <p>The latter examines the application in particular with regard to priority claims and, if necessary, further instigation (e.g. with regard to § 264 SGB V or submission to the responsible social welfare office) and makes the approval decision if the conditions are met.</p> <p>Here: Issue of treatment certificate</p>
Bearbeitungsdauer	A decision on the application will be taken as soon as possible, in particular if there is a clear sense of urgency. The processing time depends, among other things, on the completeness of the information and the submission of the supporting documents required for the processing of the application.
Frist	<p>In the case of a direct decision on health assistance, the competent social assistance institution can, in principle, only issue a treatment certificate from the time when it becomes aware of the need. Therefore, it is important to indicate the need as soon as possible. This notification can be made informally. In the case of justified self-help, a subsequent reimbursement of costs can be made.</p>
