Volltext	Students of human medicine must complete a three-month nursing service at a hospital or rehabilitation facility with a comparable nursing effort before starting their studies or during the non-teaching periods of their studies before registering for the first section of the medical examination. Its purpose is to introduce students to the operation and organization of a hospital and to familiarize them with the usual activities of nursing. The nursing service can be completed for one month at a time.
Erforderliche Unterlagen	For the recognition of the three-month nursing service, the following must be submitted: • Completed and signed application form (this can be found in the download area of Department 2 of the State Examination Office) • Original nursing service certificates • current certificate of study period (not: certificate of enrolment; the certificate of study period can be obtained via the portal, where the certificate of enrolment can also be accessed)
