Teaser	Would you like to take your dental exam? Then you have to register in writing.
Volltext	Dental education includes a state examination. To be admitted to the exam, you must register in writing. Proof of having passed the third section of the dental examination is a prerequisite for obtaining a licence to practise dentistry. Dental training includes • a degree in dentistry of ten semesters; • training in first aid; • a nursing service of one month, • a clinical traineeship of four weeks and • the dental examination, which must be taken in three sections. The standard period of study, including examination periods, is five years and six months at an academic university. The first section of the dental examination is taken at the end of the fourth semester of the dentistry degree programme at the earliest. The second section of the dental examination is taken at the earliest at the end of the second semester of the study of dentistry after
