Teaser	If you are planning a measure that will structurally and sustainably develop the process of regional cooperation in the Hannover Braunschweig Göttingen Wolfsburg metropolitan region, you can apply for funding under certain conditions.
Volltext	Under certain conditions, the state of Lower Saxony grants funding for projects in the Hannover Braunschweig Göttingen Wolfsburg metropolitan region. Projects are funded on the basis of the respective valid metropolitan work program. Your project is eligible for funding if it strengthens the regional competitiveness and innovative capacity through the intensive cooperation of regional players from business, science,

Modul

Sachverhalt

administration and other social groups and contributes to the sustainable development of the region with new impulses.

The funding supports projects of voluntary associations of stakeholders in the region that agree on independent development concepts, define and implement priority fields of action.

Your project is eligible for funding if it is one of the measures that structurally and sustainably develop and intensify the process of regional cooperation:

- Initiation and further development of cooperations, networks, joint projects, innovation projects,
- Creation and implementation of regional development and action concepts, business and project plans, feasibility studies,
- Establishment of regional management with specific project assignments and project management,
- Scientific evaluation support for the further development and efficient organization of regional cooperation processes,
- regional profiling through regional marketing and public relations work and
- investment measures and their preparation

To be eligible for funding, you must be a recipient of funding in accordance with the guidelines. Possible funding recipients are

- the Metropolregion Hannover Braunschweig Göttingen Wolfsburg GmbH
- their shareholders: the associations "Wirtschaft in der Metropolregion e.V.", "Kommunen in der Metropolregion", "Hochschulen und wissenschaftliche Einrichtungen in der Metropolregion e.V."
- Members of the above-mentioned shareholders

Erforderliche Unterlagen

- Completed application including financing plan

Voraussetzungen

- Your project will be funded if it covers at least 50% of the area of the metropolitan region or it affects at least 50% of the population living in the metropolitan region or at least 50% of the employees subject to social
