You can obtain a registration form directly from the vocational school responsible for you (school secretariat) or as a download link on the homepage of this vocational school.

- Completed application
- Certified copies of certificates (highest educational qualification acquired)
- Examination certificate of successfully completed relevant vocational training (skilled worker's certificate or journeyman's certificate)
- Certificate of completion from vocational school or proof of relevant several years of professional experience
- Curriculum vitae in tabular form with information about the previous educational path with a declaration as to whether and, if so, at which school an admission procedure for a previous school year was unsuccessfully participated

Further information on any documents that may be required can be obtained from your vocational school.

## Voraussetzungen

In Lower Saxony, the vocational secondary school has been constructed as a form of postgraduate school, i.e. instead of class 12 of the vocational secondary school, class 12 of the technical secondary school is run in the corresponding subject area.

The admission requirements for Grade 12 are:

- Secondary school leaving certificate I - secondary school leaving certificate or an equivalent qualification and
- at least two years of successfully completed relevant vocational training or at least five years of relevant full-time employment, and
- the vocational school diploma or another equivalent level of education.

Admission directly to grade 13 of the vocational secondary school is possible if you can prove that you have a technical college entrance qualification or an equivalent qualification in addition to the admission requirements for grade 12. A level of education equivalent to the vocational school leaving certificate can also be proven by a corresponding knowledge test.
