Sachverhalt

maintenance advance in Lower Saxony has been as follows since January 1, 2024

- 230.00 euros per month for children up to 5 years of age
- for children from 6 to 11 years 301.00 euros per month
- for children from 12 to 17 years 395.00 euros per month

After the age of 12, your child is only entitled to maintenance if one of the following conditions is met following conditions are met:

- You or your child do not receive a citizen's allowance.
- Advance maintenance payments can prevent your child from needing assistance.
- You have a gross monthly income of at least 600 euros and receive supplementary citizen's allowance.

This ensures that all children receive an advance on maintenance payments if necessary. At the same time, an important incentive is created for households that are not in need of assistance or that could become independent of basic income support benefits through their own earned income to secure their own livelihood.

The maintenance advance is always paid at the beginning of a calendar month and can be applied for retroactively for one month.
