Teaser	If the person responsible for radiation protection changes, you must inform the competent authority.
Volltext	Do you intend to appoint, change or deregister the person authorised to represent the person who performs the duties of the radiation protection officer? In this case, you must send a notification to the competent authority. The application can be submitted online or in paper form.
Erforderliche Unterlagen	• Proof with information that makes it possible to check whether the person responsible for radiation protection is reliable • Proof of the required expertise in radiation protection Updates if necessary
Voraussetzungen	The notification must be accompanied by the relevant supporting documents.
Kosten	The costs depend on whether permits need to be changed or, for example, only an informal confirmation needs to be sent.
Verfahrensablauf	• You send the notification of the radiation protection officer in your company, including all information and evidence, to the competent authority. • They will register and process your notification together with the evidence received. • If information or evidence is missing, the authority will contact you with an inquiry.

Modul	Sachverhalt
	• If all the information and evidence is complete, the authority will decide on your application and send you a corresponding decision.
Bearbeitungsdauer	Depending on the documents and evidence submitted (completeness - quality)
Frist
