Teaser	If you want to transfer the mining license to a third party, you need the approval of the competent authority.
Volltext	With a mining permit, you are the only person permitted to search for and extract the granted mineral resource in a defined area. The area covered by the permit is limited to the earth's surface and theoretically extends to the center of the earth. If you or your company have a mining permit for the exploration of mineral resources, you can transfer this to third parties under certain conditions. To do so, you need the written consent of the competent authority.
Erforderliche Unterlagen	Evidence: • Purchase contract • Submission Extracts from the commercial register • Proof that you can raise the necessary funds for proper exploration and the associated activities can raise the necessary funds
Voraussetzungen	• You must prove that the third party to whom the license is to be transferred in whole or in part • has the necessary legal reliability

	• can provide the necessary financing for proper extraction • the planned exploration for and extraction of non-mining or natural mineral resources is not jeopardized • does not impair any mineral resources whose protection is in the public interest.
Kosten	Gebühr: 136€ - 680€ The cash reference number must be indicated https://resources-eu-prd.wk-onega.com/docmedia/attach/WKDE-LTR-DOCS-PHC/ni5_1_as_49.pdf
Verfahrensablauf	You can apply for the transfer of your permit online via the "BergPass" platform or in writing to your competent mountain authority. Apply for the transfer of a permit online via the "BergPass" platform: • Call up the "BergPass" online platform and log in. • To register, you will need a bundID and an identity card or residence permit with an active online ID function. • Call up the application form and fill it out completely and truthfully. • Upload the required documents as a file and send the application. Apply for the transfer of a permit in writing to the competent mining authority: • Contact your competent mining authority and coordinate the required application documents. • Submit the application and all required documents by post to your competent mining authority. Further procedural steps: • The competent authority will check your application and the documents submitted. If any documents are

	missing, the authority will contact you. - You will receive a notification by post informing you of the decision on your application. In addition, the decision will be sent electronically to the relevant mailbox (bundID or ELSTER company account) in advance and information will be displayed in BergPass. - You will also receive a notification of costs. Pay the fees.
Bearbeitungsdauer	1 - 4 Woche(n) The processing time depends largely on the quality and completeness of the application documents.
Frist	0 - 50 Jahr(e) The duration of a permit depends largely on the mineral resource and the predicted occurrence. Permits are issued for a limited period of time, which must be appropriate for the implementation of the planned extraction. This may only exceed 50 years if this is necessary in view of the investments normally required for extraction. If you do not commence extraction within 3 years of the permit being issued, the permit may be revoked. The same applies if you interrupt your extraction work for longer than 3 years.
