Volltext	If you are a pharmaceutical entrepreneur who places finished medicinal products on the market, you must notify the competent authority of an information officer. Any changes must also be reported immediately. The law stipulates that the competent authority must be notified of an information officer with the appropriate expertise and reliability.
Erforderliche Unterlagen	Employment references (copy) Proof of training (copy) Curriculum vitae Certificate of good conduct for submission to the authorities Declaration of commitment

Modul	Sachverhalt
Voraussetzungen	The information officer must have the necessary expertise and reliability.
Kosten	
Verfahrensablauf	You can notify an information officer in writing or online: You notify the information officer by means of a written application or using the online service. Proof of the person's expertise must be attached to the notification. Upon receipt, the authority checks the notification formally and for completeness. If the check reveals that documents are missing, the person making the notification will be contacted and asked to provide the missing documents. Once the missing documents have been submitted or the formal check has been passed, the competent authority will make a decision. The application can be confirmed or rejected. You will be notified of the decision. A statement of fees will then be drawn up and sent to you with a request for payment.
Bearbeitungsdauer	
Frist	Immediately report any changes.
