Volltext	<p>If you want to slaughter pets or ungulates yourself at home, you must register this with the competent authority. Home slaughter is the slaughter of animals outside a commercial slaughterhouse. The production of meat for other persons is a commercial activity and may only be carried out in compliance with the standards of European and national food hygiene law. There are no legal hygiene regulations for home slaughter. They themselves decide on the cleanliness of their work.</p> <p>Subject to official ante-mortem and post-mortem inspections in the case of domestic slaughter</p> <ul style="list-style-type: none"> <li>• Cattle</li> <li>• Pigs</li> <li>• Sheep</li> <li>• Enclosure game</li> <li>• goats and other cloven-hoofed animals,</li> <li>• horses and other equidae, provided that their meat is intended for human consumption.</li> </ul>
