Volltext	Anyone who is not yet 18 years old and wants to start an employment relationship must undergo a medical examination (youth employment protection examination). Without this investigation, employers are not allowed to employ young people. This requires: • an examination authorization certificate (serves as a billing document and must be submitted to the examining physician) and • a questionnaire (serves to present the current physical and psychological situation and must be submitted in full to the examining physician).
Erforderliche Unterlagen	Identity card or passport or - if available - the children's ID card
Voraussetzungen	
Kosten	There are no fees. The costs of the medical examination are borne by the state, provided that your main residence is in Lower Saxony.
