Verfahrensablauf

Problems are sometimes caused by the transfer of old information into the new papers. In principle, the new box 22 of the registration certificate Part I serves to take over the entries in the "Remarks" box of the former vehicle registration document. If there is not enough space, a supplement is issued, which is attached to the registration certificate Part I.

Check the correct transmission of all information when issuing the new papers and complain about any discrepancies as soon as possible. When the new papers are issued, have the old vehicle registration document handed over to you in order to have a document about the previous entries.

In the case of a false affidavit, penalties may occur according to §§ 156, 161 of the Criminal Code (StGB) and § 5 of the Road Traffic Act (StVG).
