Teaser	You can apply to the State Office for Occupational Safety, Consumer Protection and Health (LAVG) for a permit to supply particularly hazardous substances or mixtures to the retail trade.
Volltext	<p>If you wish to supply substances or mixtures to private end users or make them available to third parties on a commercial basis or independently as part of a commercial enterprise, which must be labeled in accordance with the CLP Regulation (Regulation EC No. 1272/2008) with</p> <p>1.</p> <p>you require a permit.</p> <p>Before you intend to supply or make products available at retail, you must check the need to apply for a permit.</p> <p>Your company will receive this permit if you employ at</p>

## Modul

## Sachverhalt

least 1 person who

- has proven their expertise in accordance with Section 11 (1) of the Chemicals Prohibition Ordinance (ChemVerbotsV),
- has the required reliability and
- is at least 18 years old.

In the case of companies with several establishments, there must be one person who meets these requirements in each establishment where substances and mixtures covered by Annex II ChemVerbotsV are offered.

The permit may be restricted to individual hazardous substances and mixtures or to groups of hazardous substances and mixtures. It may be granted subject to conditions. Conditions may also be imposed retrospectively.

The following do not require a permit

- pharmacies
- Manufacturers, importers and distributors who supply the aforementioned substances and preparations only to resellers, professional users or public research, testing or teaching institutions

## Erforderliche Unterlagen

- Proof of expertise (e.g. certificate of expertise and, if applicable, proof of participation in a training course)
- Certificate of good conduct of document type O for submission to authorities
- Identification document (extract from the commercial register, business registration)

## Voraussetzungen

At least 1 person in the company who

- has proven their expertise in accordance with Section 11 (1) of the Chemicals Prohibition Ordinance (ChemVerbotsV),
- has the required reliability and
- is at least 18 years old.

Companies receive the permit if they employ persons

Modul	Sachverhalt
	who meet these requirements at each operating site.
Kosten	<p>Fees according to state law: Ordinance on fees and expenses for official acts and services (General Fee Schedule Section 21.3.1 Permit according to Section 6 of the Chemicals Prohibition Ordinance)</p> <p>Fee based on time spent, but at least € 120</p>
