Teaser	Killing and related activities may only be carried out by persons who have the necessary knowledge and skills (expertise).
Volltext	If you regularly look after, sedate, stunn, slaughter or kill animals professionally or commercially, you must have the necessary knowledge and skills (expertise). You can apply for the required certificate of competence from the competent authority. To do this, you must prove your expertise as part of a successful examination or a qualification recognized as equivalent. The certificate of competence lists the activities to which it applies and to which species of animals and to
