Volltext	<p>If you want to hold public auctions (forced pawn sales or distress sales), you will need a public order for this. The owner of the auctioned item has no influence on the price and the minimum bid and must therefore be able to rely on the fact that his property interests will be represented in a particularly qualified manner at the auction.</p> <p>The order may be issued in general terms or limited to certain types of auctions, insofar as there is a need for auctioneer services for them. It can also be limited in terms of content, subject to a time limit and subject to conditions. The order is valid for the whole of Germany.</p> <p>As a publicly appointed auctioneer, you are sworn to perform your duties conscientiously, without instructions and impartially.</p>
