Teaser	You can apply for permission to use the professional title of pharmaceutical technical assistant at the State Office for Occupational Safety, Consumer Protection and Health (LAVG).
Volltext	The activity as a pharmaceutical-technical assistant is regulated by precise regulations in Germany. This means that in order to be able to work as a pharmaceutical technical assistant in Germany, you need a state permit. With this permit, you may use the professional title "pharmaceutical-technical assistant" or "pharmaceutical-technical assistant" and work in the profession. Permission to use the professional title of pharmaceutical technical assistant is required to practice the profession mentioned. You must apply for this. Permission is granted if you • are not guilty of conduct which gives rise to unreliability in the exercise of the profession, • are suitable for the exercise of the profession from a health point of view, • have passed the state examination for pharmaceutical-technical assistants after a two-year course and six months of practical training, • have the knowledge of the German language required for the exercise of their professional activity.

Modul	Sachverhalt
