Modul	Sachverhalt
	applicable, for damage resulting from the operation of the shooting range in the amount required by law. In the case of mobile shooting ranges, a one-time permit is sufficient before the first installation. The holder of a permit must notify the locally competent authority in writing of the commencement and termination of the operation of the shooting range two weeks in advance. For shooting ranges where shooting is carried out in closed rooms exclusively for the testing of weapons or ammunition, there is no permit requirement, but only the above-mentioned notification obligation.
Kosten	The shooting range permit is subject to a fee and depends on the respective scope of the examination. In addition, the costs for the safety assessment are to be borne by the applicant.
Verfahrensablauf	Written notification by the licence holder or operator to the weapons authority responsible for the place of operation.
Bearbeitungsdauer	
Frist	The holder of a permit must notify the locally competent authority in writing of the commencement and termination of the operation of the shooting range two weeks in advance.
