Hinweise

- While holding the residence permit, gainful employment is not permitted. An exception may exist under certain circumstances for the time of vacations.
- During the stay for school attendance, i.e. until the successful completion of the educational measure and handing over of the corresponding graduation certificate, a residence permit for another purpose of stay should generally only be granted if there is a legal entitlement (for example for family reunification or for studying).
- If you have attended school in Germany while in possession of another residence title, this does not yet justify the issuance of a residence permit for school attendance.
- The procedure is usually conducted in German.
- All information provided to the Aliens' Registration Office should be correct and complete to the best of your knowledge and belief so that the request can be processed without major delays.
- Incorrect or incomplete information can slow down the procedure and be disadvantageous for the person concerned. In a serious case, incorrect or incomplete information that is not completed or corrected in time vis-à-vis the Aliens Department may result in the revocation of residence rights already granted, a fine, a prison sentence of up to three years, or expulsion from the Federal territory.
- Due to the complexity of the right of residence, this description is for information purposes only and is not legally binding.
