**Sachverhalt**

you are aiming for a permanent residence or a residence in the Federal territory which cannot be foreseen in terms of time, an extension of the residence permit cannot be granted.

You must urgently ensure that you submit an application for an extension or the issue of another residence permit before your residence permit expires. If the application is submitted in good time, i.e. before the expiry of the time limit, the further residence is deemed to be permitted until the decision of the Aliens Department with all subsequent effects (e.g. the entitlement to receive social welfare). A late application (after the end of the period stated in the residence permit) can result in considerable legal disadvantages. Your further stay would then be unauthorised. You are then obliged to leave the country.

**Erforderliche Unterlagen**

- current biometric photo
- previous residence permit

**Voraussetzungen**

- The residence title shall be renewed if the requirements which must have been met when it was first issued continue to be met.
- Existence of an application for extension
- There must be no grounds for refusal.

**Kosten**

For the extension of the residence permit of up to three months, a fee of 96 euros is due (48 euros for minors). For the extension of the residence permit for more than three months, a fee of 93 euros is due (46.50 euros for minors).

Exemption from fees when receiving social benefits

**Verfahrensablauf**

As a rule, you must apply for the extension of your residence permit in person - well in advance of the expiry of your residence permit - at your competent aliens' registration office.

Arrange an appointment with your local aliens' registration office. You can also find information about the application procedure and which documents you have to submit in which form on the respective website of the Foreigners' Registration Office.

If you have applied for an extension in due time (before the expiry of your residence permit), your previous residence is considered to be permitted until the decision of the Aliens' Registration Office.
