Teaser	For the relocation of monuments, you need a permit from the lower monument protection authority.
Volltext	If you want to remove monuments from their original location in order to move them to another location, you need a permit from the lower monument protection authority. The Commission shall examine in advance whether it is possible to carry out such a measure. If you are planning measures requiring building permit in accordance with the Brandenburg Building Code, the lower monument protection authority will be involved in the building permit procedure via the building supervisory office. In this case, the building permit automatically includes a change permit from the competent monument protection authority.
Erforderliche Unterlagen	Each measure shall be described in detail. You should submit all documents that contribute as fully as possible to the assessment of your project. These can be: • Plans (e.g. location, floor plans, views, sectional representations) • Documentation • Photographs • Expert opinions or preliminary investigations • Cost and profitability calculations Note: Contact the lower monument protection authority in good time. This will inform you which documents are required for your approval procedure.
Voraussetzungen	You will receive approval if:
