Teaser	Non-medical practitioner's licence – practicing medicine as a non-medical practitioner
Volltext	<p>If you want to practice medicine without a medical license or a permit within the meaning of § 2 para. 2 and § 10 of the Federal Medical Code, you need a permit according to the Alternative Practitioners Act. Part of the procedure is an official medical knowledge check.</p> <p>The permit entitles you to use the professional title "alternative practitioner" or "alternative practitioner".</p> <p>The practice of medicine is any professional or commercial activity aimed at detecting, curing or alleviating diseases, suffering or bodily injury in people, even if it is carried out in the service of others.</p>
Erforderliche Unterlagen	<p>Permission to practice medicine is granted upon request.</p> <p>The application must be accompanied by the following documents:</p> <ol style="list-style-type: none"> 1. valid identity card or passport 2. a curriculum vitae in tabular form 3. an official certificate of good conduct (not older than 1 month) 4. a statement as to whether the applicant is the subject of criminal proceedings or investigations by the public prosecutor's office 5. a medical certificate (not older than 1 month) stating that there are no indications that the applicant lacks

Modul

Sachverhalt

the necessary aptitude for the exercise of the profession as a non-medical practitioner as a result of a physical ailment or weakness of his or her mental or physical strength

6. Proof that the applicant has completed at least elementary school (i.e. the eighth grade)

When applying, you must also specify:

- whether and, if so, to which authority you have previously applied for a permit under the Alternative Practitioners Act
- whether you are applying for a general non-medical practitioner's licence or a licence limited to the field of psychotherapy (so-called sectoral non-medical practitioner licence for psychotherapy) or physiotherapy (so-called sectoral non-medical practitioner licence for physiotherapy).

If you apply for a permit after a file check in accordance with numbers 4.5.2 or 4.5.3 of the MUGV guideline, you must submit evidence of relevant degrees and/or qualifications.

Voraussetzungen

There is a legal entitlement to the granting of a licence if the personal requirements according to § 2 paragraph 1 letter a (completion of the 25th year of life), d (completed primary school education), f (moral reliability), g (health suitability for the exercise of the profession) and i (successful examination of knowledge and skills by the Potsdam Health Department, which shows that the practice of medicine by the person concerned does not pose a risk to the health of the population or for the patients visiting him) of the First Implementing Ordinance to the Alternative Practitioners Act.

Kosten

Fees for the review and for the granting of licences in accordance with subheadings 7.13.2 and 7.13.3 of the Ordinance on Fees for Public Services in the Portfolio of the Ministry of Social Affairs, Health, Integration and Consumer Protection (Schedule of Fees MSGIV - GebOMSGIV) of 19 April 2017 (GVBl. II No. 23), as last amended by Ordinance of 14 June 2021 (GVBl. II No. 64), cf.
