| Volltext                      | <p>If you want to run a zoo, you need permission from the nature conservation authority. In addition to the construction and operation of a zoo, the expansion and significant changes also require approval. The nature conservation authority issues the permit on application for specific facilities and specific operators and sets a maximum number for the animal population of each species.</p> <p>According to the Federal Nature Conservation Act (BNatSchG), zoos are facilities in which animals of wild species are kept for at least seven days a year for the purpose of putting them on display.</p> |
