Teaser	If you are affected by a disability, you can apply for a determination of your disability under certain conditions. This will also determine the degree of disability.
Volltext	<p>Are you affected by a disability and have you been in poor health for more than 6 months? Then you can apply for a determination of your disability under certain conditions.</p> <p>As a result of the examination, a degree of disability may be determined for you. If the examination of the required documents shows a degree of disability of 50 or more, you can be issued with a severely disabled person's card.</p> <p>In addition to the degree of disability, special health restrictions may be determined in the course of the examination. If necessary, the corresponding marks will be entered on the severely disabled person's ID card.</p> <p>The following marks can be recognized by the competent authority and entitle you to further compensation for disadvantages:</p> <ul style="list-style-type: none"> • G - considerable impairment of mobility in road traffic • aG - exceptional walking disability • H - helplessness • B - entitlement to a permanent escort when using public transport • RF - reduction of radio fees and/or telephone connection fees • GL - deafness • BL - blindness • TBL - deaf-blindness
